

Wheedle On The Needle Serendipity

Stephen Cosgrove

Morgan and Me Stephen Cosgrove 2013-10 On the northern slope of the island of Serendipity is a small, wonderful kingdom called the Land of Later. In this kingdom there lived a young, beautiful princess who everyone simply called Princess. The castle was governed by the king's simple rules. One of those rules was that when you woke in the morning, you cleaned your room and made your bed. Princess hated rules. Most of all, she hated doing anything at any time unless it was much, much later. This morning, as on others, she awoke, got dressed, and went outside and took a walk instead of cleaning her room. Princess walked into the forest near the castle. "I should start back before I get lost," she whispered to a bunny on the path. Then she laughed, "I will go back but just, just a little later!" It was on the

journey that Princess met a unicorn called Morgan. And it was on this journey, with the help of Morgan, that she learned that doing things now is always much better than later.

The Muffin Dragon Stephen Cosgrove 2013-10 In a far corner of the Island of Serendipity stood the poorest of poor castles. Everything was poor including the villagers who lived inside. No matter

how poor, the villagers took the greatest of pride in the baking and selling of muffins Every morning, villagers loaded them onto their only wagon and went from village to village selling all the muffins. One day there appeared at the castle a great and monstrous dragon—a muffin-munching dragon. With crumbs still on his face from the muffins he'd eaten at the last castle he'd visited, the dragon came waddling down the hill, right up to the drawbridge. From the smell of things, this was a perfect place for a muffin-munching dragon to live. From that day forward, he ate all of the muffins. With no muffins to sell, the castle folk had no money to buy supplies to bake more muffins. All would have ended here had they not all learned to work together. A delightful tale about simple economics.
