Things I Needed To Say Monica Lee 2020-12-14 What you are about to read in this book are poetic conversations between two people in love that have never met physically. It is both a play and sincerity with words, concepts, emotions and life that unfolds a love story that we wanted to give to others to say that love isn't impossible and it has no borders. It is also a book where we put out our ideas that, in our opinion, are essential concepts for love to thrive while getting to know each other as a couple would in the beginning of any relationship. You will see the authors are quite different, but on the same path. Her words are wild like paint splattered on a canvas with brush strokes everywhere and he responds in a more poetically choreographed manner to create "Poetic Conversations".

2008-09-30 At twelve, Lucy Marie McGowan already knows she'll be a psychologist when she grows up. And her quirky and conflicted family provides plenty of opportunity for her to practice her calling. Now Lucy, her "profoundly gifted" twin brother, Milo, her commitment-phobic mother, and her New Age grandmother are leaving Chicago for Timber Falls, Wisconsin, to care for her dying grandfather—a complex and difficult man whose failure as a husband and father still painfully echoes down through the years. Lucy believes her time in the rural town where the McGowan story began will provide a key piece to the puzzle of her family's broken past, and perhaps even reveal the truth about her own missing father. But what she discovers is so much more—a lesson about the paradoxes of love and the grace of forgiveness that the adults around her will need help in remembering if their family is ever to find peace and embrace the future. By turns heart-wrenching and heart-mending, *Thank You for All Things* is a powerful and poignant novel by a brilliant storyteller who illustrates that when it comes to matters of family and love, often it is the innocent who force others to confront their darkest secrets.

While serving as the Artistic Director of the famed "Paul Robeson Theatre" in New York, Jesse produced and starred in many notable productions, among them "A Raisin In The Sun," "Ceremonies In Dark Old Men" "God's Creation," and "Of Mice & Men." He has spent much of the last decade touring in various stage productions. Jesse relocated to Los Angeles a few years ago to pursue greater acting, writing and producing opportunities. Jesse's touching memoir "Away From My Mothers' Watchful Eye" chronicles his experiences growing up in inner-city Brooklyn, New York during the turbulent, social unrest of the 1960's and his being one of the first Blacks bussed to a White school in 1965 in compliance with New York City Board of Educations' initiative to further integrate its' public school. Always a New Yorker at heart, Jesse presently resides in Los Angeles where he teaches acting. He recently launched Trustar Productions to develop projects for television and film. His talent management company, LaMarr Talent Management represents and guides the careers of young, aspiring, entertainment professionals. **Sarge** Mitchell Gene Perry 2024-06-14 Sarge, a Vietnam POW, struggling with P.T.S.D. finds himself unable to live safely with his wife which leads him to the street and homelessness, falling

into drugs and alcohol abuse. Finding a friend at local AA meetings helps him to get sober, and he is hired at a downtown boxing gym but continues to live on the streets. He finds himself one night in a high profile legal dilemma. The publicity from the media grabs the attention of a granddaughter he didn't know existed. She needs him and finds him. Along with his band of encampment friends and granddaughter, they find themselves caught between local and federal law enforcement as well as the underworld community.

My BFF Is an Alien Vivian Teo 2020-03-01 Meet Abriana Yeo, 13, awkward and friendless. Meet Octavia Wu, a graceful teenage alien with superpowers. Forced to flee her home planet Viridis after an invasion by "The Others", another alien species, Octavia and her parents crash-land in the Singapore heartland. Pretending to be a foreign student, Octavia enters secondary one and befriends Abriana, who then helps her in her quest to find the Anteris, a missing element the alien family needs if they want to return to Viridis to help in the war effort. All the while, the two girls also need to navigate the intricate web of teenage drama at Bukit Timah Secondary Girls' School (BTSGS), where mean girls thwart their search efforts every step of the way. Behind the adventure, mystery and sci-fi, this middle-grade novel also explores the pertinent issues that teenagers typically deal with in a local school setting—friendship, loyalty, CCAs, homework and bullies. There is also no shortage of excitement and intrigue in this sci-fi and adventure. This is the first in a four-book series, for children aged 10 and above.

Waning Moon L M Lissette 2023-04-01 Ruling through love, Darya has worked with her Alpha, Tarq, to provide a safe home for their wolves. As Luna, she has brought honor to the name "Wolf" and redefined what it meant to be a pack. But in a world that seems determined to wipe them out, nothing is ever certain. When she receives an invitation to meet with the militia, she hopes it is an opportunity for peace. What could go wrong? With her health compromised and her daughter's life threatened, Darya follows the doctor's orders and travels south for the winter. She boards the fishing barge with a team of old and new faces, searching for a safe place to

teach the kids what they need to help the pack find a brighter future. While the children flourish in their new roles, Darya realizes just how much she has missed trying to govern the pack on her own. Let the adventure continue. A chance meeting with an unknown wolf... An unfortunate encounter with an ill-wishing militia General... The Blood Pack demands retribution for the death of their Alpha... And my Alpha is determined to save my life... A love so fierce could only come from a wolf. All Tarq and I wanted was a peaceful life for our wolves, but that doesn't seem possible anymore. I love my Alpha. I love all my wolves. I will give them a life of safety and freedom, even if it kills me. * This trilogy will cure your bully blues but contains some language, mild steam, and difficult situations. It is best enjoyed by those that are ready for the adventure. * ** Although this is a trilogy, and each book is a story continuation, these novels do not contain cliffhangers. **

Whispers of Judas Redwriter 2021-01-13 Twenty-eight-year-old Kofi Ode is an educated Ghanaian business mogul stationed in the United Kingdom. Although he's hardworking and successful, he is picky about his love life. His parents want grandchildren, but Kofi is determined to find the right woman before moving forward. Then he meets Cianneh Taylor, a beautiful Liberian pediatrician, at his favorite café. After learning that she has been stood up by a blind date, Kofi makes it his business to pursue her. Finally, she agrees to date him. Little does she know he's been chaste for eight years—and that he wants her to join him on his journey of chastity. Cianneh blindly agrees, but constant mockery and nudging from her best friend, Ijeoma, causes her to reconsider her decision. Cianneh is stuck with the choice of enduring her friend's ridicule or taking Ijeoma's advice and leaving the relationship to fulfill her sexual desires. Will she learn the importance of chastity in time to salvage her relationship with Kofi? In this novel, a young, passionate couple faces the challenge of embracing chastity in the midst of world demanding that they choose otherwise.

Whisper Danielle Bean 2021-04-01 Do you feel like you can't "find God"? What if he is waiting for you right where you are? In this intimate and down-to-earth book, Danielle Bean encourages

women of all stages of life to slow down and experience the little whispers of God that are present in their everyday moments. Danielle writes about real, heartfelt moments that every woman can relate to. The constant striving after achieving more can be relieved. Even more, the ability to do less with more intention can provide a growing awareness of God's constant presence and interior peace (even if the exterior is still chaotic). Whisper is perfect for anyone looking to develop a more intimate relationship with the ever-present God. Grab a copy and a cup of tea (or a glass of wine) and dive in to learn from Danielle how to grow closer to God. "Danielle Bean has done it again! Whisper: Finding God in the Everyday is an invitation to be everyday mystics, finding extraordinary encounters with God in our ordinary days. If we will be attentive, there is space for grace to speak to our hearts, leading us closer to our Lord, even as we care for the many needs we encounter in the vocation of marriage and family life." -Kimberly Hahn, wife, mother, author of *Chosen and Cherished: Biblical Wisdom for Your Marriage* "She had me at the title, but throughout Danielle's book Whisper, I found God in baseball, broken pieces, and in 'not overthinking it.' This book is beautiful and intimate, itself a whisper from God." -Sonja Corbitt, creator of LOVE the Word® Bible study method "Danielle's encouragement and practical advice to simply rest and be still was exactly what I needed to read as a young mom who is a recovering busy perfectionist—and the words we all need to hear in a world that emphasizes doing instead of simply being. If you're exhausted and looking for rest, this book is for you!" -Chloe Langr, author of *Letters to Women: Embracing the Feminine Genius in Everyday Life*
